Title: Spot ' s New Game

Author: Eric Hill

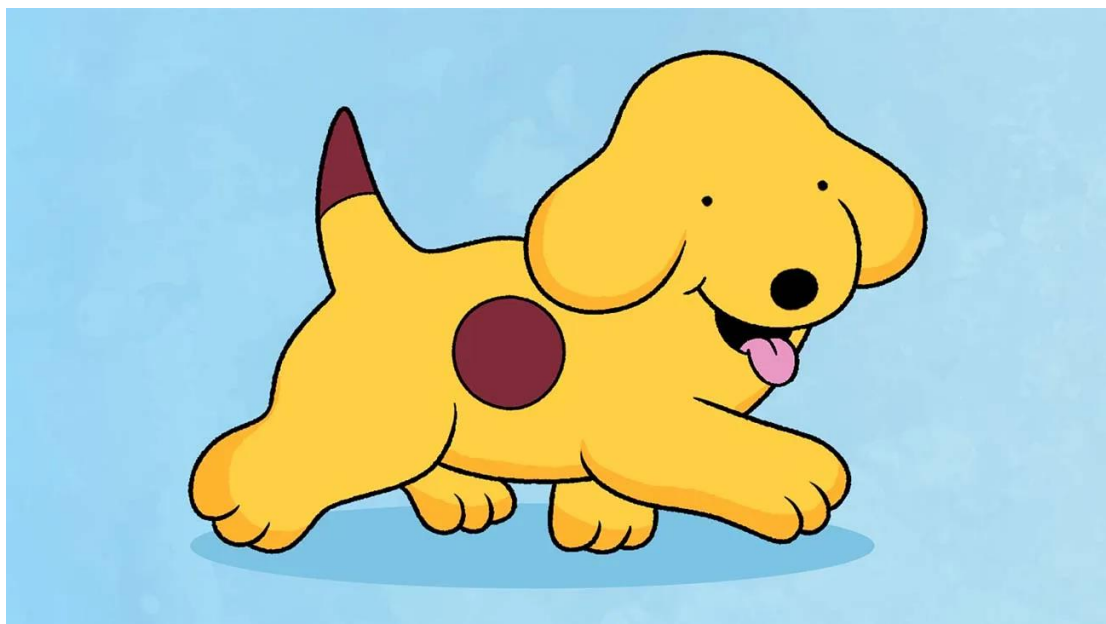

Publisher: Ladybird Books Ltd.

Recommended By Miss Lai Yuen Wah

Spot the Dog is a beloved series of children's books created by Eric Hill, featuring an adorable and curious little puppy named Spot. Spot is a yellow puppy with a brown spot on each side of his body and a brown tip on his tail. He has some good buddies-Helen, Tom and Steve.

One sunny morning, Spot and his friends wanted to play games together. They wanted to play hide-and-seek in the garden. Spot started to count, ' One, two, three... ' When Spot finished counting, there was no sign of Helen, Tom or Steve. Where were they hiding? After a while, Spot heard a noise coming from behind a bush. It was a giggle! Who was that? Read this interesting story to find out!

Title: Spot goes to the Farm

Author: Eric Hill

Publisher: Puffin Books

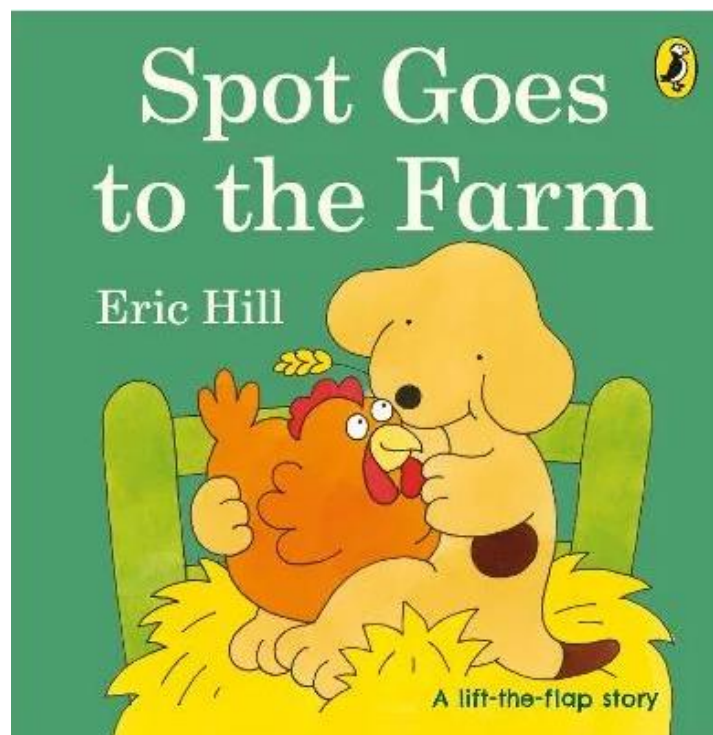

Recommended By Mr Chau Wai Lut

This book is about a little dog called Spot. The cover is very colourful. The illustrations are very nice. Spot met different animals on his dad ' s farm and they became friends.

This is a lift-the-flap book. There are many flaps that can be lifted. Readers will be surprised by the lifted flaps. Children will find this book fascinating.

I suggest that parents read this book with their children together. There are many activities or games that parents and children can enjoy while reading this book. For example, predicting the next animal and mimicking the animals ' voices. This can help build parent-child relationship.

Title: Aladdin

Author: Adapted by Eric Huang

Publisher: Funtastic Ltd.

Recommended By Miss Ng Ka Yin

Aladdin is a magical story with a genie who can make your wish come true.

Aladdin grabbed the lamp and rubbed it. The genie appeared and asked Aladdin for three wishes. Then, Aladdin became famous .

There lived a princess named Jasmine. Aladdin spent the day with Jasmine. They were very happy. Aladdin did not tell the princess about his magic lamp. One day, The lamp was stolen by the magician. The magician summoned the genie and became his new master.

It seems Aladdin lost his battle. But he was very clever. He tricked the magician and won at last. Aladdin and Jasmine lived happily ever after in the palace.

This story allowed you to practice reading and helped you add new words to your vocabulary. Hope you enjoy reading this storybook.

Title: Beauty and the Beast

Author: Teddy Slater

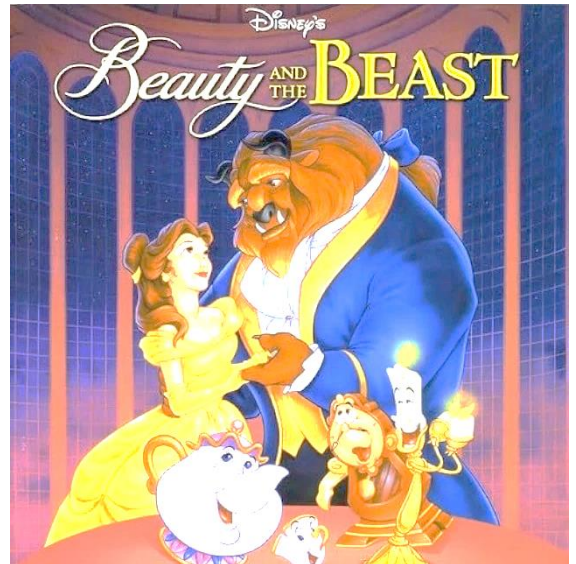

Publisher: Disney Enterprises, Inc

Recommended By Miss Kam Yi Kwan

Beauty and the Beast is a story about a kind, beautiful and independent young lady, Belle, who sets off to rescue her father. Unluckily, she is taken prisoner by a beast in the castle. Despite her fears,

Belle befriends the castle ' s enchanted staff and learns to look beyond the Beast' s hideous exterior. At last, she realises the kind heart and soul of the Beast within. Then the spell is broken. The Beast turns back into a prince again.

The storybook teaches us a lesson. We should not be deceived by appearances, since beauty is found within. It is rare to know how much someone else is hurting. Therefore we should always be kind and grateful.

Title: Ms. Sue Has No Clue!

Author: Dan Gutman

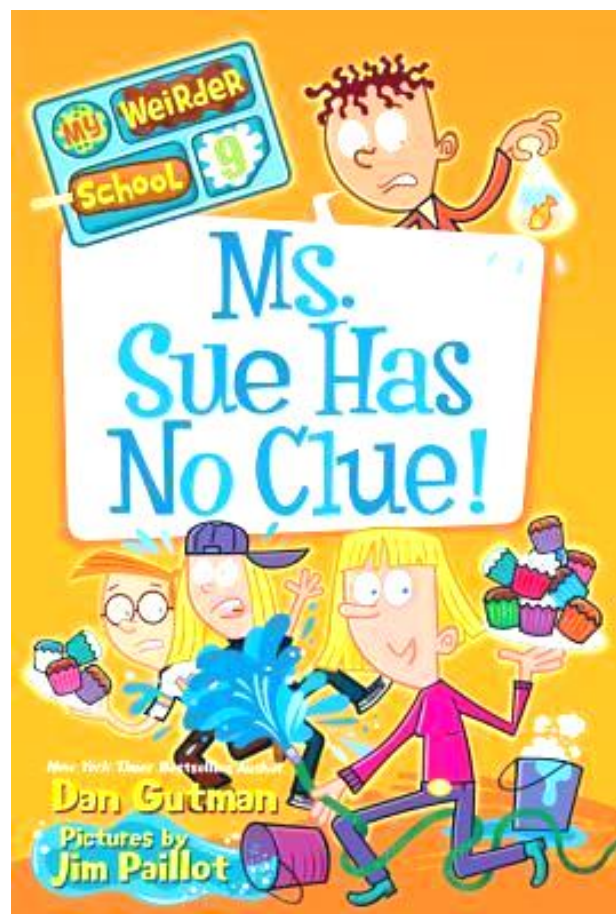

Publisher: HarperCollins Publishers

Recommended By Miss Pun Yuk Man

This story is about a fundraiser at a school, held by Ms. Sue. Ms. Sue is Alexis' mum. She got many 'fantastic' ideas. The money raised will be used to buy new playground equipment. Read this book and you can find out more.

The content of this book is very interesting as there are many creative ideas in the story. I believe that this book can turn you into a more creative person, and it 'll be beneficial to your writing! If you 're interested in reading this, go to the library and borrow a copy from Mr. Wong. I 'm sure you 'll like it!

Title: Ms. Leakey is Freaky!

Author: Dan Gutman

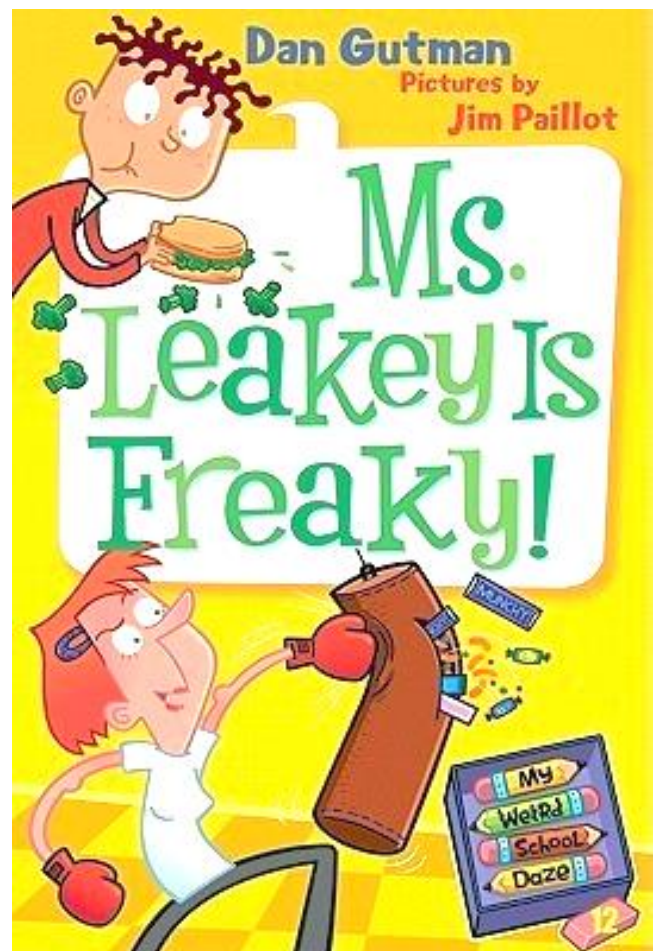

Publisher: HarperCollins Publishers

Recommended By Miss Chan Kit Ling

I think this book can be used to teach about proper health techniques. Nowadays, kids are getting too unhealthy so Ella Mentry School has hired a health teacher- Ms Leakey to help the kids eat right and exercise. However, she does the weirdest things. She makes a punching bag filled with junk food! She designs a robot that smokes and drinks! She opens up a fast food restaurant that sells broccoli burgers! She puts sunscreen on her car!

The students try to figure out her agenda and why she is so 'weird' . This is definitely a fun read for young students. This book is also very educational. After I read the book , it surprisingly showed me how much sugar people eat every year. In the end, Ms. Leakey is sending a message. ' You are what you eat." From now on, be good to your own health and try to eat healthy!
